Kanoria Chemicals & Industries Ltd

Dear Mr. Kanoria:

Please accept my thanks to you and the Federation of Indian Chambers of Commerce (FICCI) for visiting with us in April of last year to explore business opportunities with a specific focus on Science and Technology (S&T).

I am pleased to learn that Dr. Karthik Raghavan, Chief Executive Officer of Agro Pulping Machinery, Pvt, Ltd made a connection with Dion Banks, Director of Governmental Affairs at Cambridge International. This is a great example of how we can create opportunities through bilateral relationships between Maryland and India.

We look forward to a lasting partnership with FICCI and the business community in India.

Sincerely,

  
Governor
